

TRUSTED BY SOME OF THE WORLD'S LARGEST COMPANIES

Neterra, a global leader in connectivity and telecom solutions, is committed to excellence and innovation. For over **27 years**, we have been providing international connectivity, network management services, and security to an extensive network in more than **65 countries**. We have won the trust of clients ranging from global corporations to small and medium-sized enterprises.

At **Neterra**, we nurture an environment that encourages collaboration and values each team member's unique perspectives and ideas. **This is your chance** to work with accomplished professionals, solve challenging problems, and make a significant contribution to the tech world.

Are you passionate about **PHP, NODE.JS**, or **PYTHON** programming? We're pioneering cutting-edge software development to empower the telecommunications industry for high-speed operations.

MARKETING AND COMMUNICATIONS department will provide you with a great opportunity to explore the captivating realms of marketing strategies and communication tactics within a global leader in IT and telecom solutions.

For those who are interested in **LEGAL** processes there is a chance to be an integral part of a team that is committed to ensuring legal excellence and safeguarding the company's interests. Will provide you with a supportive and nurturing environment where you can hone your legal skills, expand your knowledge, and gain hands-on experience that will empower you to excel in your future legal career.

The **FINANCE AND ACCOUNTING** Internship can give you hands-on experience in financial analysis, budgeting, forecasting, and other key areas of finance and accounting. You can have the opportunity to work closely with professionals in the field, gaining valuable skills and knowledge.

No matter which internship position you choose, you will be joining a global leader in IT and telecom solutions. Explore the world of opportunities at Neterra and kickstart your career in the exciting realm of technology and telecommunications.

But there's more to our story. We've also developed a sophisticated television platform featuring a rich array of movies and video content - available in real-time, recorded, or on-demand - accessible on laptops, tablets, mobile phones, or TVs. It's a dynamic and continually evolving platform.

Come join our team and play a pivotal role in delivering state-of-the-art solutions to our global clientele.

**PLEASE SEND YOUR CV TO CV@NETERRA.NET.
WE ARE EAGER TO MEET YOU AND
DISCUSS OPPORTUNITIES.**
